

Accountability Court Servabartion

Be a blessing this Holiday season and donate towards the party or adopt an Angel. Navigate Recovery is honored to host this party for the participants of Gwinnett Accountability Courts and their children. These families are in the process of turning their lives around and we want to make their holidays merrier. You can buy the requested gifts for the Angel or donate the money and we will do the shopping for you! If you would like to participate and give back this holiday season by supporting the local children in your community then please select an angel:
